THE NEWSLETTER-2017
DEPARTMENT OF MEDICAL SURGICAL NURSING

Hello Readers,

BEATS- Not only rhythm of heart. It is the movement of the bird's wings. The Eagle beat its wings and soared high into the sky.our second issue is a call to take a breath and remember what it is that we are doing and why.

Now I feel integrating a newsletter into our content calendar is not very difficult or time consuming.its a simple way to boost our entire communications plan by a few notches.

If you have any questions, comments, concerns, or suggestions, please contact us. them.so,please

From the Editor's Desk

Happy reading.

If you have a heartbeat, there is still time for your dreams ...

The outstanding efforts of faculty Ilyear B.Sc N students

The World Diabetic Day on 14.11.2017 was celebrated based on Theme - "Women and Diabetes-Our right to a healthy future". We organised a Diabetic Exhibition which was inaugurated by Prof.Dr.P.S.Manoharan, Dean, VMKV Medical College and Hospital in the presence of Dr. Selvakazhanjiam, R.M.O, Dr. Laxmi Dorai, H.O.D, Department of Psychiatry, Dr. Rajesh Kannan, Asst. Professor and Dr.V.Selvanayaki, Principal, VMACON, Salem. The students showcase their talents in preparation and presentation of the exhibits. They assessed knowledge of the participants and distributed pamphlets too. The Exhibition indeed a eyeopening to the inpatients, outpatients of VMKVMCH, students and staff from various colleges under VMU, Salem.

The Right choice for us

Indian Medical Association, Salem conducted a training programme on "Basic life support" on 10.10.17. Dr.Selvakkalanjiyam, President, Dr.Sudarshan, Dr.Hariharasudhan, IMA, Salem dealt with Cardio Pulmonary Resuscitation, Management of Shock, Choking and Cardiac arrest and given hands on training with manikins for the nursing students.

Debut on coronary artery bypass grafting

Mrs.M.Sumathi, Associate professor presented a journal article regarding "CORONARY ARTERY BYPASS GRAFTING" which is a surgical operation in which arteries or veins from the patient's body are grafted to the coronary arteries to bypass and to improve the blood supply to the myocardium.

That's perfect time to have a campaign

A Public Awareness Campaign was conducted on WORLD HEART DAY with the theme on "share the power" on 28.09.2017 by assessing health parameters such as Height, Weight, BMI, Blood pressure followed by Video presentation and Poster presentation regarding prevention of cardiovascular diseases, measures to improve healthy heart through diet, exercise and life style modification and Distribution of pamphlets for the workers of Kongu Minerals factory, Salem.

As long as your heart beats one is never old ...

All you need to know about total parental nutrition

We Organized a Faculty Skill Development Programme on 16-06-2017. Dr.Sudarshan , M.D, Assistant Professor, Emergency Medicine, VMKVMCH, Salem, dealt with Uses & Types of Parenteral Nutrition, Difference in Enteral and Parenteral Nutrition and Procedure of administering Total Parenteral Nutrition.All the faculty members have attended the programme.

Keep up the good work!
